# EVENT INFORMATION

## **TYRE ADDITIVES ARE STRICTLY FORBIDDEN IN ALL CLASSES**

### **LAP COUNTING:**

Computerised lap counting (transponders) using Alycat. You must provide a mounting position for a transponder on your car. If you have a personal transponder please supply that on the entry form. A compulsory PT check will be carried out at the beginning of each race.

### **FREQUENCIES:**

All competitors **must** list TWO radio frequencies for each car entered. In the event of a crystal clash during rounds two, three and four, the higher placed cars will have precedence for available frequencies. **Anyone not running on DSM (2.4Ghz) must list their frequency.**

### **STOCK MOTORS:**

All competitors will be required to supply their own stock motor. Stock motors must conform to rules as stated in the NZRCA rulebook dated 1st September 2009.

### **MARSHALLING:**

Every competitor in each race **MUST** marshal the race immediately following, unless physically disabled or scheduled in back-to-back races. In these cases a substitute marshal must be appointed by the competitor and advised to the Race Control. The penalty for not marshalling will be that you lose your points for that race in question.

### **SCRUTINEERING:**

All cars are to be placed in the scrutineering pound on the number of your placing in that race immediately after each race & are not to be uplifted until the competitor has finished marshalling. Please refer to NZRCA 2010 Season rule book to make sure you arrive at the event already inside your class rules, as there will be no exceptions made.

### **AFFILIATION:**

All entrants must be members of an HZRCA affiliated club for insurance purposes however Driver Series 2010 is not an NZRCA sanctioned event.

### **RACES:**

There will be a total of 4 races per round. There will be **NO** removal of your worst round from your total. Best 3 out of 4 rounds to count to overall standings.

Maximum of 10 carBs per heat.

### **POINTS SYSTEM:**

The Drivers Series 2010 will be using the IFMAR Points system. This means you will be racing against the clock for a place in your class not each other for a place in your heat.

### **FINAL ROUND / PRIZE GIVING:**

To be eligible for a series prize, you must compete in a minimum of 3 rounds. Trophies will be awarded for 1st – 3rd.

### **Parking:**

There is **NO** parking inside the building. Those requiring special access will be given priority to park inside the venue with notice to the club. There is additional parking close to the building.

### **Power:**

240 volt power is supplied throughout the venue, non safety tagged RCD and power leads are not permitted at the venue.

### **Pit Set Up:**

A limited number of tables are available at the venue, but be prepared to supply your own table and seating.

### **Refreshments and food will be available at the venue**
